WORKSHOP FROM IDEA TO THE RESULTS: DO'S AND DON'TS OF RESEARCH MODELING STRATEGY

CONFERENCE HALL E6 (IN ENGLISH)

13.00 - 14.30

Zoom link: <https://us02web.zoom.us/j/85312435969?pwd=bOHmUqhKR0EdxCZVQevGEzggN3pom.1>

Nebojša Stojčić, Rector of the University of Dubrovnik, Croatia

The workshop is focused on the **do's and don'ts of research modeling strategy**. It provides practical insights on how to navigate the research process, from idea generation to drawing conclusions. Key elements include assessing the novelty and feasibility of research ideas, ensuring strong theoretical positioning, and emphasizing the importance of empirical rigor. The workshop highlights common pitfalls that lead to rejections or long review processes. Additionally, it offers practical tips for robustness analysis and concludes with strategies for making meaningful and targeted research contributions. The goal is to help researchers avoid mistakes and successfully publish their work.
